#### ASSIGNMENT OF PROPRIETARY RIGHTS:

As used in this agreement, "Works" means (i) any inventions, trade secrets, ideas, original works of authorship or Confidential Information (as defined below) that I conceive, develop, discover or make in whole or in part during my employment with Contractor which relates to the Contract, (ii) any inventions, trade secrets, ideas, original works of authorship or Confidential Information (as defined below) that I conceive, develop, discover or make in whole or in part during or after my employment with Contractor which are made through the use of any of Contractor's equipment, facilities, supplies, trade secrets or time, or which result from any work I perform for Contractor, and (iii) any part or aspect of any of the foregoing. "Confidential Information" means all information or material disclosed to or known by me as a consequence of my employment with Contractor, including third party information or information disclosed by County that Contractor treats as confidential, and any information disclosed to or developed by me or embodied in or relating to the Works.

All Works shall belong exclusively to Contractor whether or not fixed in a tangible medium of expression. Without limiting the foregoing, to the maximum extent permitted under applicable law, all Works shall be deemed to be "works made for hire" under the United States Copyright Act, and Contractor shall be deemed to be the author thereof.

If and to the extent any Works are determined not to constitute "works made for hire," or if any rights in the Works do not accrue to Contractor as a work made for hire, I irrevocably assign and transfer to Contractor to the maximum extent permitted by law all right, title and interest in the Works, including but not limited to all copyrights, patents, trade secret rights, and other proprietary rights in or relating to the Works. Without limiting the foregoing, I irrevocably assign and transfer to Contractor all economic rights to the Works, including without limitation the exclusive and unrestricted right to reproduce, manufacture, use, adapt, modify, publish, distribute, sublicense, publicly perform and communicate, translate, lease, import, export, transfer, convey and otherwise exploit the Works.

I expressly approve any and all modifications, uses, publications and other exploitation of the Works that Contractor or any successor or transferee of Contractor may elect to make, and I expressly agree that no such

modifications, uses, publications or exploitations will or may cause harm to my honor or reputation, or will be deemed to constitute a distortion or mutilation of the Works.

I agree to provide any assistance reasonably requested by Contractor, now and in the future, to obtain United States or foreign letters patent and copyright registrations covering inventions and original works of authorship belonging or assigned to Contractor. I shall execute any transfers of ownership of letters patent or assignments of copyrights or other proprietary rights transferred or assigned hereunder (including short form assignments intended for recording with the U.S. Copyright Office, the U.S. Patent and Trademark Office or any other entity). If Contractor is unable for any reason whatsoever, including my mental or physical incapacity, to secure my signature to apply for or to pursue any application for any United States or foreign letters patent or copyright registrations or on any document transferring or assigning any patent, copyright or other proprietary right that I am obligated to transfer or assign, I irrevocably designate and appoint Contractor and its duly authorized officers and agents as my agent and attorney in fact, to act for and on its behalf and stead to execute and file any such applications and documents and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent or copyright registrations or transfers or assignments thereof or of any other proprietary rights with the same legal force and effect as if executed by me. This appointment is coupled with an interest and is irrevocable.

This agreement shall be construed in accordance with the provisions of Section 2870 of the California Labor Code (the text of which follows) relating to inventions made by an employee. Accordingly, this agreement is not intended and shall not be interpreted to assign to or vest in Contractor any of my rights in any inventions developed entirely on my own time without using Contractor's equipment, supplies, facilities, or trade secret information, except for those inventions that either relate at the time of conception or reduction to practice of the invention to Contractor's business or the actual or demonstrably anticipated research or development of Contractor, or result from any work I performed for Contractor.

California Labor Code Section 2870. Employment Agreements; Assignment of Rights

- (a) Any provision in an employment agreement which provides that an employee shall assign or offer to assign any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:
  - (1) Relate at the time of conception or reduction to practice of the invention to the employer's business or actual or demonstrably anticipated research or development of the employer; or
  - (2) Result from any work performed by the employee for the employer.
- (b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

I expressly acknowledge and agree that I wish to remain anonymous and not to have my name or any pseudonyms used in connection with any Works, goods or services I provide under this agreement or the above referenced Contract.

I acknowledge that violation of this agreement may cause irreparable harm to County, which may not be compensated by monetary damages, and may subject me to civil and/or criminal action and that the County of Los Angeles may seek all possible legal and equitable redress, including, without limitation, injunctive relief.

***Jury Service Ordinance***

**Title 2 ADMINISTRATION**  
**Chapter 2.203.010 through 2.203.090**  
**CONTRACTOR EMPLOYEE JURY SERVICE**

**2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies.

**2.203.020 Definitions.**

The following definitions shall be applicable to this chapter:

- A. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:
  - 1. A contract where the board finds that special circumstances exist that justify a waiver of the requirements of this chapter; or
  - 2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor; or
  - 3. A purchase made through a state or federal contract; or
  - 4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section P-3700 or a successor provision; or
  - 5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, section 4.4.0 or a successor provision; or
  - 6. A purchase card pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section P-2810 or a successor provision; or

**Title 2 ADMINISTRATION**  
**Chapter 2.203.010 through 2.203.090**  
**CONTRACTOR EMPLOYEE JURY SERVICE**

7. A non-agreement purchase with a value of less than \$5,000 pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section A-0300 or a successor provision;  
or
8. A bona fide emergency purchase pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section PP-11 00 or a successor provision.

D. "Full time" means 40 hours or more worked per week or a lesser number of hours if the lesser number is a recognized industry standard as determined by the chief administrative officer or the contractor has a long-standing practice that defines a full-time schedule as less than 40 hours per week.

**2.203.030 Applicability.**

This chapter shall apply to contractors who enter into contracts that commence after July 11, 2002. This chapter shall also apply to contractors with existing contracts which are extended into option years that commence after July 11, 2002. Contracts that commence after May 28, 2002, but before July 11, 2002, shall be subject to the provisions of this chapter only if the solicitations for such contracts stated that the chapter would be applicable.

**2.203.040 Contractor Jury Service Policy.**

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees' regular pay the fees received for jury service.

**2.203.050 Other Provisions.**

- A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter and shall issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.
- B. Compliance Certification. At the time of seeking a contract, a contractor shall certify to the county that it has and adheres to a policy consistent with this chapter or will have and adhere to such a policy prior to award of the contract.

**2.203.060 Enforcement and Remedies.**

For a contractor's violation of any provision of this chapter, the county department head responsible for administering the contract may do one or more of the following:

1. Recommend to the board of supervisors the termination of the contract; and/or,
2. Pursuant to chapter 2.202, seek the debarment of the contractor.

**Title 2 ADMINISTRATION**  
**Chapter 2.203.010 through 2.203.090**  
**CONTRACTOR EMPLOYEE JURY SERVICE**

**2.203.070. Exceptions.**

- A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.
- B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.
- C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:
  - 1. Has ten or fewer employees during the contract period; and,
  - 2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than \$500,000; and,
  - 3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

**2.203.090. Severability.**

If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect.

**EXHIBIT J**  
**SAFELY SURRENDERED BABY LAW**

*Certainly we would prefer that women seek help while they are pregnant, not after giving birth, to receive proper medical care and counseling. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in a hospital emergency room.*

**The California Safely  
Surrendered Baby Law:**

Allows a distressed birth parent(s) to legally, confidentially, and safely surrender their baby

Provides a safe place for babies

Protects the parent(s) from arrest or prosecution for abandonment as long as the baby has not been abused or neglected

Does not require that names be given when the baby is surrendered

Permits parents to bring a baby within 3 days of birth to any hospital emergency room in California

**In California, no one ever  
has to abandon a child again.**

**State of California**

**Health and Human Services Agency**

**Department of Social Services**  
Rita Saenz, Director

FUB 400 (8/02)

**no shame.  
no blame.  
no names.**

**now there's a way  
to safely surrender  
your baby**

### **What is the Safely Surrendered Baby Law?**

It's a new law. Under this law, a person may surrender their baby confidentially. As long as the baby has not been abused or neglected, the person may do so without fear of arrest or prosecution.

### **How does it work?**

A distressed parent who is unable or unwilling to care for an infant can legally, confidentially and safely surrender their baby within 3 days of birth. All that is required is that the baby be brought to a hospital emergency room in California. If there are additional places, they will be listed on the back of this brochure. As long as the child shows no signs of abuse or neglect, no name or other information is required. A bracelet will be placed on the baby for identification. A matching bracelet will be given to the parent. The bracelet will help connect the parent to the baby if the parent wants the baby back.

### **Can only a parent bring in the baby?**

In most cases, a parent will bring in the baby. The law allows another person to bring in the baby if they have legal custody.

### **Does the parent have to call before bringing in the baby?**

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week.

### **Does a parent have to tell anything to the people taking the baby?**

No. Nothing is required. However, hospital personnel will give the parent a medical information questionnaire that is designed to gather family medical history. This could be very useful in caring for the child but it is up to the parent to complete it.

### **What happens to the baby?**

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a foster or pre-adoptive home.

### **What happens to the parent?**

Once the parent(s) has safely turned over the baby, they are free to go.

### **What if a parent wants the baby back?**

The parent(s) may take the bracelet back to the hospital. Hospital personnel will provide information about the baby.

### **Why is California doing this?**

The purpose of the Safely Surrendered Baby Law is to protect babies from being hurt or killed because they were abandoned.

You may have heard tragic stories of babies left in dumpsters or public toilets. The persons who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants.

Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

### **The Eighteenth Safely Surrendered Baby in California**

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law.

This baby was the eighteenth child protected under California's Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed in a foster home for short-term care while the adoption process was started.
